The University

Madison 6, Wis.

Dear Joshua,

I have seen our paper on Genetics and hope to receive reprints soon. I must admit I am rather pleased with it.

There will be a Symposium on adaptation in London organized by the Ciba foundation, end of March next year. I hope you may be able to take part in it.

I am enclosing copy of a paper on the theory of linkage in transduction. Would you advise me to publish it? I have written it about a year ago and do not know what to do with it.

How are things with you?

Yours

Luca

P.S. I shall start writing again end of August
